

Summer Internship 2018

Nest Collective is looking to build a team of interns for the summer of 2018.

We know summers are the best part of the school year and it's hard to give up the waves and the sand. But you don't have to give it up at all. We will ensure that you have the best training and mentoring while still having loads of fun.

We're looking for interns for the following areas:

- design
- marketing
- development

What you get:

- a fulfilling experience working with development, design and marketing
- mentorship and training from some of the best Coimbra based tech companies
- time with technologies and tools elected by the best in the industry
- the chance to imprint your vision in a real digital product
- work with your own team of talented young people
- a monthly incentive to help you cover some of your expenses
- probably the best place to work in Coimbra, with all the goodies - games, disco, winesdays, terrace sunsets, guests, events

Info:

Starts on 2 July

Finishes on 31 August

Duration 2 months

Location Coimbra, Portugal

Positions available 4

Compensation €150 / month
